SATURDAY FEES VARY

To equally accommodate and be of services to our families or clients with the up-most quality of expectations, please mindful as multiple services maybe scheduled for our chapel and **must start on time**. In most areas of the country, state, or, local law does not require that you purchase a container to surround the casket in the grave. However, MOST of your local perpetual care cemeteries require that you have such a container so the grave will not sink. Either a burial vault or a concrete burial box will satisfy these requirements.

Cost for grave services and a tent are often included in the cemetery's opening and closing fee. However, if the family chooses to want to secure payment with the cemetery chosen or designated, the funeral home will advance monies to the appropriate cemetery. We charge this convenience to the responsible party.
