“ Mrs. Hurley or Grandma, by which she was affectionately introduced to me, was a sweet lady who still had her right mind and told me her age. She always referred to me as "that boy", you know, he bought me some fish. "I loves chicken and fish," she would often say. And she could eat too when she wanted to. I know that she will be missed and that her loss is hard to bear but just remember, she's alright now. She wouldn't come back now, even if she could, not even for you. Yeah you. Look to the hills from whence come your help, for your REAL HELP, comes from God. But my fervent prayers for that perfect peace that passes all understanding, goes out for all those who call her family and will CHERISH her memory. Always always think of the jood times back in the day. I have come to love you all and I am here for you, Ronnie & Dad, Aunt Chelle, Aunt Kay, Sherry and all of the rest. You can reach out to me at ANY time. 405.476.9770.

“ My favorite memories of Ms. Archie is that she always had a pleasant smile and that expression made me feel that she was happy to see me. I sometimes would see her sitting out front of her home there in Tatums and would stop by and visit. Mrs. Archie believed in Jesus, loved her family and was always an encouragement. Like many of the mothers from Tatums who helped to shape my life, I truly miss her. Blessings to the family. Sincerely, Ernest Franklin P.O. Box 125 Springer, OK 73458
