“ Sandra and Adrienne,

Condolences to the family on the loss of your beautiful mother, grandmother, aunt! She has earned her precious wings! To have lived more than a century sharing her love and wisdom is such a grand gift. I am so glad I got to share in her life! Spending time with cousin Alice was always a joy whenever I got to OKC to see her! The 100 year zoom celebration was a wonderful experience! Sandra, bless you for being her loving caretaker!

Love and grace to you all!

“ I will always cherish celebrating Nana's 100th Birthday on zoom, her singing to us, and participating with us in our zoom line dance class during Covid. I will also always cherish my birthday shirt in remembrance and in love. What a long legacy you've created and leave behind. I'm sure God is proud and stating well done my good and faithful servant. May you rest in peace Nana. You'll be missed!

“ My life was so much better because of Ms. Alice. From my childhood til today, she is a part of me. So elegant and witty. I thought she was the most beautiful lady I had ever seen in her elegant stylish dress. At St. Baptist Church, Meeker, Ok would recite poems at the Annual Homecomings.

Sandra, thank you for allowing me to share in her life. God bless you family. I love you.

“ Rejoice and again I say rejoice, Alice Alice sweet spirit, you finally made your journey, to God be the glory. Thankful for sweet memories of you in my life, from The Sunbeam Choir to being your first caregiver, God blessed me and my family with you and yours. I know you finally found that Music 🎵 that you would hear. I still laugh remembering you asking me if I could hear the singing and my reply "No Sister Hill, it's not my time yet and I don't want to hear it, not now. What a laugh we both had. “ When we would come to Oklahoma for Langstons homecoming, we would have to stop by and spend some time with cousins Alice and Sandra. We would laugh and have a good time. We speak your name: Alice Hill , we speak your name. Our loss is Heavens gain.

“ Precious Yayi! You have received your greatly deserved final reward! I will always be grateful that you came in to my life when I was a child. Then I was doubly blessed that you helped me raise Shannon. You have always been the sweetest and most positive influence in both of our lives. I know the celebration in Heaven was amazing as the Lord welcomed you with open arms! Until we meet again dear Yayi! ❤️

“ My loving Auntie Alice Hill, you are in the arms of our Heavenly Father! Oh how we will miss you. I have so many memories of you, the laughter shared when you and your sister and brothers got together. When you all would gather at the house and the jam sessions started. Thank you for the memories. Your siblings met you at the pearly gates with our Father saying, “Girl, step on in here. We’ve been waiting on you!”

“ Grandma Hill...I know I haven't personally met you, but Adrienne always spoke highly of you and I always wanted to share my love for you. Thank you for making me your grandson during your time here. I know you're not here physically, but I know you're with us spiritually. You're with the creator now and you lived how you wanted to live and you gave us a century of true meaningful life.

I love you grandma always....you are home now

My condolences to the family during this rough time. 🥹🙏
