“ *My condolences to the family of Alvin Holland Sr. He will always hold a special place in my heart. Alvin, already a long time member of Tinker AFB, joined a struggling Let's Talk Toastmasters Club at Ralph Ellison Library that had less than 15 members at the time. His dedication to the effort would help firmly establish a productive and positive organization present in Northeast OKC with (at one time) over 40 members (the average club size was 18-24 members). One of the most positive characteristics about Mr. Holland is the jovial presence he provided at club meetings. He had a laugh that was ultra-contagious and was appreciated by all his fellow toastmasters. I cannot speak to who Alvin was outside of the club environment. I wish I could. But I can say that my limited reflections are all cherished of a big man with a big heart. And I am thankful for his acquaintance.*
