“ Mrs. Wood nourished many children at the Downtown YMCA Child Development Center.  
Her passion and love was evident in every meal she prepared over her many years of service.  
Parents were always in awe of how she could get their children to eat vegetables they wouldn't at home.  
She prepared dishes to that those children with allergies or life choices had substitutes that looked like the main entree; so those children wouldn't feel different.  
Truly an angel walked among us and will be truly missed.  
To the family, thank you for sharing Mrs. Andra with us.  
I pray for your comfort!
