“ *It was an Honor to Angela's friend! She was very kind and smart I learned alot from her. I remembered being at her wedding . I also remember her beautiful twin sons when they were tiny. Now they are grown men! Her entire family have been a blessing to me! She will be trully missed*

“ *I had the wonderful honor of sitting with Ms. Angela a couple of times, once when her husband Thomas needed to do laundry, and also when he needed to attend a beloved uncle's service. Angela was on hospice care at the time, which meant that her life expectancy wasn't going to be long. She was such a beautiful lady, and it was a pleasure just to sit in her presence. Her family was so very loving toward her, and Thomas shared with me that their twin sons came home every weekend from college to spend some time with their mom and be there for her.*

*I pray for blessings for this wonderful family, and I know that lovely Angela will be dearly missed.*
