“MR Daniels was A Very nice individual And Always made sure people were ok he knew my whole family the gulleys and he stayed right across the street for many years he watched all of us grow up and anytime your car broke down the first thing he would offer you was a battery and he had them stocked up for sure and if you didn't have the money he would still fix your car no matter what and you didn't have too go to no store and get pop are candy because he had everything right their so alot of my cousins would say where going to the store and we would say that the store was close and they would say Mr Daniels store is always open no matter what do we would always give each other money too go buy pop and candy from Him and I would like too say that God Dont make no mistakes so we know on the other side he Living His Best Life He safe with the Heavenly Father it's never A Goodbye we will see you again thanks for being that great person too my whole family RIP
