“ Words can't express how I am feeling. I know I am heartbroken, and I am going to be lost without you. I promised you I wouldn't cry, but it's so hard to hold back the tears. We told each other I love you forever and always.

I am going to miss our talks, I am going to miss seeing you everyday. I am going to miss our everything... You will always be in my heart forever and always. We will always be best friends forever and always.

Ms B as it is not a goodbye...it is see ya later.. Love you forever and always. Fly High my angel..
