“ I could only find this one pic and I am disappointed that I can't find more but I have so many memories in my heart. You were definitely one of a kind. Your Spirit, Truth, Realness, Humor and your Loving ways are unmatched. Thank you for all of the encouragement and mentoring that you gave Ashley over the years, you made a difference in her life and you were an intricate part of our "Village" that helped shape her life and we will never forget that. Thank you for all of the talks, laughs, and hugs that we shared at boot camp, church, and even when I would bump into you out and about. I love you so much and I will never forget you. My heart is broken and I'm sad to see you go but I'm comforted by the fact that you can now take your rest. For Roslyn, JP, Dougie and the rest of the family, you have my deepest condolences and I pray that God comforts you all during this difficult time.

“ Mrs. Bruner was genuinely one of the nicest people I've ever met. She used to call me: "Mr. Galbraith" after my maternal grandfather. He, my grandmother and many others loved her dearly, and I know those wonderful Christian people who've gone before her have welcomed her with open arms. Sincerest condolences and prayers go out to those she leaves behind.

“ Barbara Bruner is one of kind - a very special soul that touched all of our lives. I always so enjoyed seeing Barbara when I went to Dr. O's office. We had a mutual love for hats and would admire each other's hats. What fun we had just visiting. She is a beautiful person who is now sitting proudly in Heaven! Rest in Peace! “ *Barbara you are the most genuine, beautiful soul I have ever known. I met you through work. You took me under your wing and became my best friend, confidant, and stability. You always seemed to know when I needed a friend, a shoulder to lean on and at times someone to shake sense into me. We had much laughter together, shed tears together, sat quietly together. You just seemed to always know what was needed. Thank you for all you are to my family and for keeping me tucked away under your wing. I will cherish memories of you until I meet you again one day. I am saddened by your absence but more happy for you resting in our fathers arms. Until I meet you again RIP.*

“ We spent many years together in Phlebotomy at OU and I've always adored and loved me some Bruner. She's one of a kind. May God bless her family because they are truly suffering now and I know it. I know Anna is having a hard time. They are girls for life. Love me some Barbara Bruner.

I tried to recall how you became my right hand with the Jr Choir/YIP. All I know is that God sent you, not only to me, but to every child that came our way. You calmed a troubled soul, lifted up a bowed down head, and made us all feel special. Family thank you for sharing her with us. Thank you Jesus for loving us enough to share her with us. She will be in our hearts forever. Praying for the family.
