~~~~ Parting Words~~~~

But when I'm in a situation where I have to believe either God or man, I'll put my all into God. There were some days that were much harder than others, but I allowed the voice of God to be louder than the sound of the storm.

Barbara H. Love (Mother Love)

“ *Elwood & Winfred - my heartfelt condolences in the loss of your mom - our dear Barbara. I only found out about her homegoing yesterday; if I had known earlier, I would have come back for the services. Take comfort in knowing that her struggle is over and she is at peace, in God's loving hands.*

*To find out late and to have known you for all these years. Your present and smile was addictive, your laughter brought people to your presence. A memory we will cherish and hold close to our hearts. Our prayers to the family.*

“ *Barbara took care of me when I was little and was the absolute best. She loved me with all her heart and I loved her with all of mine right back. She will always be in my heart and memories and I love her dearly. I share her stories with my own little girl now including just this last Halloween when I told the story of my most favorite blue princess dress that Barbara made just for me. It was like a dream come true to a little girl and it was my most prized possession. Sending her family so much love and so many prayers.*
