“If only we could know the reason why they went, we'd smile and wipe away the tears that flow, and wait content.”

I am so sorry for your loss, Tiara. I haven't seen you in a couple of years, but I couldn't let a day pass where I didn't extend my condolences to you and your family.

I didn't get the pleasure of meeting Baby Bella, but to know she came from you, lets me know that she was the most precious, beautiful, funny soul in the world.

I have much love for you. Stay strong.

My cousins, words cannot express the wonderment, and sadness I feel. We don't always know why, but we'll understand it better, by and by. Sending love, and praying your peace will be supplied by The One who holds our future. ❤️🌹❤️🙏
