“ Betty always was dear to my family my mom and Betty was close !! Jaymie lee passed May 25th 2020 and i went to go see Betty and I didnt even have to frown or cry she knew something was wrong with me . Betty was a bold and woman with a heart of Gold who Loved the lord she always had the right words to say to me when me and my precious mommy went to visit . She always was so happy to see us walk through the door she was know as the best cook when thanksgiving came around I'm thankful I got to spend as much time as I could with Betty I know it's never a good thing to feel when we lose someone dear to us but what I learned from my moms passing . We will understand it better by and by . And one day one glorious day we will meet them in heaven . Forever in my heart ❤️ until next time we will see each other again !!! Give mommy a. Hug for me I know your rejoicing in the Lord
