“ Mrs. Betty came into our lives maybe 6 years ago. My mom, Mrs. Jackson, and Mrs. Betty were best friends. They met at Metropolitan Better Living Center but their friendship continued even after Mrs. Betty stopped attending the center. They would talk on the phone at least 4 times a week and talk about their lives like sisters; sometimes they would go to sleep in the phone. My sister or I would bring our mom to visit Mrs. Betty. We had to bring beets when we came because they loved those beets. We would also pick up Mrs. Betty to hangout with her buddy, Mrs. Jackson. She loved to go. We loved Mrs. Betty and will miss her dearly, but we are so grateful to have known her and for the friendship she and my mom had.
