“ *Sitting and thinking about my Great Aunt and the many hugs and kisses she gave, but most of all there was this look of love always in her eyes when she looked at me no matter how long it had been since we'd seen each other. I will always love and miss you Auntie!*

“ *A finer woman, wife, mother, grand would be hard to find. Betty always had a smile and shared her love and joy with others. Her devotion to Edward (Eddie as well called him) and to her family made them all what they have become. Eddie worked for my family for decades. He helped raised me & my siblings. I truly believe Betty was his encourager and stabilizer. Now may she join her beloved and her children. Her work is now joy in heaven. Deepest sympathy to her family. Kathy Shilling Larsen & family from JR & Atlas. ((Hugs)) and prayers.*
