“ *To Mrs. Bluitt's loved ones, I just learned a few weeks ago of her passing. I was saddened to know she was gone in the physical. You have my sincere condolences. I want you to know the impact she had on my young life. She wasmy kindergarten teacher at Truman elementary school over 50 years ago. I admired her. She was beautiful, poised, well dressed and professional. I could see that as a little girl. I wanted to be like her, so much so that I tried to smile like her on my kindergarten photo. Seeing her photo here, I nailed it. I became a teacher later and have tried to carry myself like her and my mother of course. I just wanted you to know, her influence lives in me. God bless you all and give you peace.  
Sincerely, Michelle Murrell Bowens*
