“ My thoughts, prayers and condolences go out to the family of Ms. Betty Robinson. I'm blessed to know her granddaughter Nicolette. Nikki shared some funny stories with me, as well Ms. Betty's sewing skills and Nikki's baby pageant stories. I wish I could've met Ms. Betty, Nikki spoke of her often. May God continue to bless you all and give you all strength through your time of grievance.

“ I am so saddened to learn of sweet Betty's passing, but I know that those who have gone before her are thrilled that she has come home.
Betty and I worked the elections together for many years I and always looked forward to the next election because I got to spend the day with her.
I count her as a dear friend and will always miss her, but the memories are special treasures.
Rest in the arms of Jesus, sweet Betty.

“ I’ll never forget the last time I heard your voice. You were fussing me out for not keeping in touch better. I overlooked it then but you knew more than you let on. I’m so glad I got to see you and hug on you recently. Time is a thief and life don’t play fair. Will still hard to believe but I’ll hold your memory so close. Thanks for giving my dad a firm foundation and a future he could be proud of. I followed in his footsteps—might not have happened if he chose a different path. Thanks for your no nonsense life nudges. Love and miss you much. <3

“ Aunt Betty! There are so many memories to share but my main one of You is when you taught Us how to fry fish at your house when we were younger. Now every time I do, I think of You. I'm still staying off the plastic in the living room and keeping the screen door shut. Ain't no running in and out. We miss you dearly, rest up now. I Love you Aunt Betty 🥰💙💙

“ *I remember Ms Betty when I was a very young teenager. She use to let us hold the club meetings we had started up with her daughter Donna at there house. It was called THE LIVING UP CLUB. I had developed a close relationship with her and her daughter's. Hanging out at Ms Betty's was a positive thing to do. And it kept young women out of trouble and Ms Betty didn't play with NO ONE!!!. Thank you Ms Betty for being a blessing to me. You will be missed.*
