“ Hi Pig, I would not be the person I am today without you and
Bootsie helping mama raise me. You guys always watched out for
your little sister. You introduced me to Elton John and the Baltimore
Colts! Joe Namath was your man and also Tom Jones. You,
Bootsie, and Little Joe used to bring us pizza from Sussy's Pizza in
Capital Hill and Big Boy hamburgers. My college friend, Crystal, and
I took you out dancing the night before your Crystal was born. I wish
I had spent more time with you. Now, I know you are watching me
everyday with warm and protection. Be good. (Smile)

I will miss my bestie. Beverly and I hung out together in college. Beverly was very smart and always made me feel smart too. We had a lot of fun together gossiping and joking about various things. Long telephone conversation until the news or basketball game or football game came on TV. No talking in the morning until after reading her newspaper. She could be very bossy but she always said Pearl you always got in the last words in the our conversation.
