“ *It's so hard to say goodbye! Billee Jeane had a true vocal instrument which was a gift from GOD.*

ON behalf of my late husband Mr. Gerald Mitchell CEO of SRC Systems Records of OKC & myself Elder Aquilla U Butler former President of Systems Records, SRC & Asministrative Assistant Ms. Shree Payton we love her, cherish her & will always listen to & do our best to keep the living legacy of her musical magic alive & well.

Billee & I had many chats through these past years. Her life was music. It was her greatest joy. It is a blessing to cross to the other side doing that which you truly love.

God bless you Queen as you take your final eternal rest with an eternal divine song!
