“ Words escape me. I'm still in disbelief. Too many years have passed since I seen you and now to know you are gone is an expected blow. I didn't even know you were ill. One thong I do know, God does not make mistakes, He needed you at this time, You are definitely in a better place. No more pain.

One of the best cousins in the world to me, So many memories. You were also like a brother to Mimi and I. Taking out anyone that harmed or tired to harm us. All we had to do was tell you the name and they go dealt with lol! Loved that about you. Strong, Respected and Loving/Loved. I will definitely miss you. Say hello to Mama Coco, Mattee, Carol & Dad for me.

Until we meet again, Rest in love cousin
Sadie

“ I would like to extend my deep and heartfelt sympathy to the whole family in these difficult times. Your words may not come out, but your tears speak the pain your experiencing. May the family accept something comforting found in Jehovah God's word the Bible at Isaiah 25:8 "He will swallow up death forever, And the Sovereign Lord Jehovah will wipe away the tears from all faces. The reproach of his people he will take away from all the earth, For Jehovah himself has spoken it." May this give the family the strength they need to endure the pain you're feeling. You all are in my prayers.

“ As a young student athlete growing up in Idabel BJ was a primary reason I began weight lifting. I will forever remember his strength of mind and body and because of his inspiration a smile will always come to my face when I think of the Warrior Weight Lifting 🏋️‍♂️🏠 Club! Thanks for the memories BJ!

“ I would like to extend my deepest sympathy to the Lewis family during this difficult time. When tragedy comes God's word at Psalms 34:18 loving reminds us that , "Jehovah (God) is close to the brokenhearted; He saves those who are crushed in spirit." Please know that God is aware of the depth of your loss and wants to closely comfort you now and in the days to come. May he give you the strength you need during this time.
