“ My deepest condolences to the Thomas family. Our family and the Thomas family were neighbors for many years. His children and my sisters and brothers grew up together. I remember Bishop Thomas as a kind man and looked at him as a good example of a leader for his family. Praying for peace and comfort for the family now and in the days ahead.

“ To thee we give thanks for been a great Dad, a provider, prayers for us when we was sick living a life of forgiveness and been committed. You showed each of us how live and take care of one another... You and mother was more than grandparents to your grannies each of them loved you on their own way. The many days you tolled for your family will not be forgotten. I know one night when I came over was really tried and was about to go home you called me from the backroom and told me "Bev I really do love you" I said aweeee daddy thank you!!! That stayed with me and you are missed💕💕💕

May you walk in the light you wanted to achieve the light of God the King of kings

“ Father, I have told you this in life and I am saying it in your passing, thanks for all of the things did for me, the encouraging words you often said to me, and thank you for the roofing and business skills you taught me, and the music book you gave me. I still remember all the roof jobs we did together, traveling up and down the highway and even sometimes out of town to do the jobs. But the most priceless thing I learn from you was your preaching and teaching and your commitment to the gospel. I do not doubt in mind that you are with the Lord... May God Bless you, on your Heavenly journey.
