“ *You can shed tears that she is gone  
Or you can smile because she has lived  
You can close your eyes and pray that she will come back  
Or you can open your eyes and see all that she has left  
Your heart can be empty because you can't see her  
Or you can be full of the love that you shared  
You can turn your back on tomorrow and live yesterday  
Or you can be happy for tomorrow because of yesterday  
You can remember her and only that she is gone  
Or you can cherish her memory and let it live on  
You can cry and close your mind, be empty and turn your back  
Or you can do what she would want: smile, open your eyes, love  
and go on...Prayin for the family...Renoda Barnett Alexander*
