“ To the family, especially his daughter... Please, know that he loved you ALL very much. I'm sorry I'm just now finding out and couldn't see him off. I'm truly heartbroken. Brian holds a special place in my heart, forever. My deepest sympathy, condolences and heartfelt prayers are with you, even now.

To Brian, (he was Bri, to me), you will truly be missed. I love you and until we meet, again, Rest In Power.
