

Mr. Bryan Fowler

December 21, 1985 - February 13, 2021

Bryan Fowler passed away on Saturday, February 13th at the age of 35. Though he left this world way too soon, he left this world for a better place. He was an amazing son and a great brother. He was the kind of guy that made everyone laugh. He loved smoking food, sports (especially golfing), video games, all things OSU, but mostly loved his family and close circle of friends.

He leaves behind his dad, Michael Fowler, mom, Yvonne Nottnagel and husband Jerry, sister, Krystina Fowler, his second mom Mary Heckard as well as his beloved dog Bella. He is also survived by his grandparents, Fred Meyers and wife Jeanine and Ron & Betty Fowler, as well as many other family members. He is preceded in death by his maternal grandma Barbara Meyers.

Due to Covid, there will not be any services. Bryan would want you to celebrate his life in your own special way.

In lieu of flowers, the family is asking for donations to be sent to the American Liver Foundation.

“ *Mr. Fowler... I still can't believe the news. Although I have only known you a little more than a year, it feels like we have been friends forever. You were always down to talk or help somebody out in anyway you could and I found that trait very admirable. I will miss getting your updates about call of duty and hearing about how my ribs that I smoked are trash compared to yours (lol). You were a very caring and funny guy and this loss will be felt my myself and all your other friends greatly. I am sorry this had to happen and my thoughts and prayers are with your entire family. RIP Taco.*

“ *I am so sorry for this loss of a great human. My thoughts are with Bryan's family.*

Bryan had such a big warm heart. Always smiling and laughing. He is one of the first friends and memories I have of moving to Oklahoma. Hilarious times and rivalries we had on the bus and Haskell playground. We were kinda mean to each other from the start but in a joking way, and still even so in College in Stillwater, it just stuck. I will miss him giving me grief and me to him.

I will miss him at all our future friend gatherings. I'll be picturing him smiling, making fun, smoking meat and playing video games <3

“ I was so so sad to hear this news. Bryan had a wonderful soul and such a kind heart. We grew up together— having some of the same classes starting in elementary school and up through college. I spent so much time at “JM’s and Bryan’s” in college— hanging out, watching football games, and laughing a lot. Bryan always had a smile on his face and I can’t ever remember seeing him angry, upset, or mean. He was always happy to be with friends— present in the moment. Rest In Peace, my friend.
