“ *There are so many fond memories that we have of our friend Calvin. One I think we'll remember most of all is his smooth sway during praise and workshop at Kingdom of God World Outreach Center. Annette use to tell us that it was because Calvin had no rhythm and that, that move was his only move. I gather he practiced that one night and day, because he made it his own!! Now our dear sweet brother you have that same dance before the Lord and He loves it! Thank you so much for giving us years of your time, talent, dedication and expertise as a Board Member of Metropolitan School of Dance. You were a shining example of leadership and you will be missed by us all. The Board and Staff of Metropolitan School of Dance, Inc.*

“ *I always cheered for Calvin (Hawk) when seeing him run over people at our High School football games. We found ourselves in a couple of scary situations, but we were able to laugh when we were out of them. He was always someone you can trust and he had a heart of gold.
He will truly be missed. My condolences to Annette and his family.
PEACE and LOVE to you during this time.*

“ Annette, Our last visit in Atlanta with you and Calvin will always be a cherished one. South Carolina and Furman University connected us, but friendship sustained us. The grace of God will keep us. Please accept our deepest sympathies. May you find some comfort in knowing others care.

“ There are so many fond memories that I have of Calvin: our attending the same elementary, middle school, and high school together; our attending the same college together (he will finish a year ahead since he was a year ahead in primary and secondary); his living within walking distance of where I grew up; his singing on the SLBC Gospel Choir with me at Furman University (and the brother shocked us all when he led a solo). With these fond memories is to say that I have known this brother for practically all my life. We will miss him tremendously! And his family will miss him more. My thoughts and prayers are with y'all.
