“ I'll miss my friend Camilla and her infectious laugh. We had a lot of fun joking with each other through the years. I will always think of her when I use the teepee she invested many hours in sewing together for me.

“ *Miss Camilla Myers played a very important role in my life she was my mother-in-law, but most of all she was my friend. She encouraged me in many ways, most of all how to be strong. She accepted my children as her own grand children and to this day they still acknowledge her as Grandma Camilla.*
