“ This one hit a little different and got my mind scrambling because Im really and truly lost for words and I lost a person that I’ve known for years. This person was the 1st Female (BEST) friend that I had in my life, and she’s also the Mother of my Oldest son Tramon. Even though We didn’t always see eye to eye on everything (I know DEEP DOWN INSIDE that she knew that I Always Acknowledged her as my Baby Mother and Best Female friend.). One thing I’ve learned from this situation here is, if you’re at odds with someone (No matter what the situation is) ALWAYS try to patch it up before it’s too late... R.I.P Candice, The Lord decided it was time for him to pull you up into The Kingdom to give you a better place to rest, be closer to him, and to get you away from the cruel harsh elements of THIS World we live in called earth. The Heaven gates were opened and the Angels gave you your wings to join them where there’s No More Pain. You will ALWAYS BE LOVED and MISSED. My Condolences goes out to all your family members (Siblings, Cousins, and Children, etc) R.I.P (Raised Into Paradise...) Candice..

“ My condolences and prayers are with her family. My god comfort you all during this most difficult time. Candice was always kind and sweet. She loved my loud color earrings and we'd always say "I love you" as she gave me a tight bear hug. May she Rest In Paradise. To be absent from this world is to be present with the lord. God bless the entire family. 🙏🙏🙏🕊️📖
