“ *Carl Lee was like a brother to our family. It saddens our heart to have him leave us but God has other plans for him. We will miss him dearly from riding his bike and driving his truck past our parents house ten times a day. Always being out in his yard messing around with his old lawn mower. Yes Carl Lee we sure are going to miss you. It will never be the same down in the country again. Love you and R.I.P.*
