Tribute Wall

JW

“ I live on next street over & just finding this out. I'm truly sorry for you're loss. We talk to Casey often when he stopped or pass by on his walks. He even came by & dug up my garden to get it started & was very kind and respectful. Always offered a helping hand. He had truly been missed in our neighborhood and my garden this year will be dedicated to him. Praying and sending love to the family. Johnny
