“ To my dearest Sister. I miss you so much. To come and visit Mom & Dad and our families. Is not the same. You were the sunshine of our gatherings. Your beautiful smile and your laugh lit up the room. I hope you knew how much you were loved and appreciated. We miss you more each day! Continue to shine down on your babies. Which by the way are doing great in school. We are all so proud of them both. I know you are too! Sis we love you so❤️ Please visit or whisper a tune 🎵

“ I still can't grasp what's happening. Like wth? I pray you knew how much you were treasured. Your essence will always be present as a way to do life: ambition, kindness, beauty and responsibility. Pretty and rich—with money if you can—but always rich with character.
