“ To the Holbert family; we would like to send our heartfelt condolences to the family. My name is Elaine Nixon. My mother Beverly Nixon Robonson was Charles's first cousin. Her mother was Rebecca Holbert was Uncle Vernon's sister. My mother lost touch with the family. She and her brother were foster children. It's very important that we reach some of the family. Since my mother's health is not good. And we don't want an entire family history lost. We can be reached at 704- 421-2796 Elaine Nixon Bailey

“ My heart is hurting but my prayers are with you Gerbie. I have no words of my own but a song writer tells us that Earth has no sorrow that Heaven cannot heal. As Christian's we know that we have an eternal home in heaven with Him, but until then know you can call on me any time when you need a friend, a hug, a shoulder, conversation. I love you. God has called my big brother home to sing in the heavenly choir. I will always remember that big laugh, great smile, & that voice. Big brother's thoughtfulness to help others was a rare gift. 30+ years wasn't long enough, but I'm grateful for every one of them. God bless & keep you Gerbie. Thank you for sharing big Brother with us. Praying for you & family.

“ *What a wonderful man of God that has gone home to be with our Master. Although I knew Rev. Charles Holbert through the church, he and I were Facebook friends as well and he would always make positive comments about the music that I would post on my page. It got to the point where I would post songs just to get a response from him. I appreciate the love and support that he showed me as a good friend and I will truly miss him. I would always tell him how much I missed hearing his amazing gift of song. The sound of his voice will always be remembered. My prayers are with his family and friends and I hope that God's grace will carry you all through this time of great loss. My love and prayers are with you.*

“ *I will never forget that voice. If you heard him speak in a crowded room, you knew it was him before you saw him. And when he sang... He was just awesome. A man of few words who made such an impression. I would tell him, "I want to sing like you one day." He would laugh and jokingly say the same thing to me, but I was serious. My love, prayers and condolences to Mrs. Gerchel and the family. This has been a trying time.*

I am lost for words but know he is up in heaven fellowshipping with your mother and son. I hear Pastor Jackson's voice saying, "Charles, sing Jerusalem." What a mighty voice, he had glory in the Lord. Dr. Betty Joubert
