“ I was saddened to hear this news. Charlie was a special guy, one of a kind. When he would come into Coopers he would brighten up the day by his smile and laughter. Love and prayers to his family.

“ *I was reminiscing on the times Valerie and I got to stay in the country with her dad AJ. Charlie Wayne and AJ were very close and often at one or the others' house. On a good weekend, Charlie and AJ would take Val and me to Springer Ok with them, where they would race their cars. We had a lot of fun with them and we learned so much about life on the "Race Track". Our prayers are with you all family.*
