Just in shock and with regret of waiting for her to call me and me not calling her or Dad's cell phone anyway

“ My heartfelt condolences to the family for the loss of your loved one. I was her Nurse Case Manager and (friend) at Mary Mahoney Health Center and consider it an honor and privilege to have known her. We would laugh, talk about fashion, hair and all kinds of things. When I last spoke with her on 10/06/2023 I would always ask how things were coming along with the transplant list and she told me that she was no longer eligible due to her kidney function decreasing rapidly and tears began to fall from my eyes, and she looked at me and said it's ok I'm thankful for the time I've had because they didn't think I would live this long and she is at peace. She was an amazing person with a beautiful spirit, and she will be missed, but this is a time to rejoice so fly high my friend until we meet again. Please don't hesitate to call on me if you need anything. Sabrina Maxwell

I was saddened to hear of the passing of my cousin. We talked at the Jackson Family Reunion in September. I enjoyed seeing you and your Dad (1st Cousin Clarence) not knowing that would be the last time. I loved your spirit. As I admired your makeup and wanted to know your Beauty Secrets. I still am having a hard time knowing you are both gone.

I pray for Tyree and Kolbe. God Bless the Holland family during this bereavement. We pray the Lord will keep his arms around them. With Love,

The Jackson Family, Vernita, Delores, Barbara, Ernest, Janice, Deborah and Gerald. Your Cousins
