“ *Memory of Christy! She was a fire cracker she loved life but always felt she pushed it away! Afraid of what others thought of her. I always told her to be true to herself what others thought was on them. She was a precious light that lost her way at times but to some of us she was the light that guided us. You will always be someone close to my heart. Say Hi to the others we have lost you will always be on my heart! Love you Christy RIP*
