“ Sis Douglas was always so kind to me. She always shared her love and wisdom in the women's group at church. She was supportive of me in ministry. Her smile would make your day. I'm in prayer for the Douglas family.

“ Praying for the family, we will miss our class mate. She was one of a kind. Serve as our class president after we graduated and met together for 40 years .

“ To the family of Claressa; you have my prayers, love and condolences. She was truly an honor to know and was very living and caring. We attended Mt. Gilead together and she watched over me in school as an older schoolmate. Her memory will always be etched in our hearts. On a special note; James Wilson was my classmate.

*My sincere condolences and praying for the family. I was very blessed to know her, and very grateful for her helping my mom in Sunday School. She was a very beautiful lady inside and out. She was a great leader at St James. May God comfort you during this sad time.*
