“ *R.I.P Papa, we wasn't ready for you to go, you lived a good life, and to be absent in the body is to be present with the Lord. We know you're in a better place a mansion that's not built by man, I know you're having a great time with granny and the rest of our love ones. Boss and I miss and love y'all, R.I.P*

“ I’m saddened and my heart is heavy to just hear about by the loss of Mr. Miles known as “papa”. Every since he was removed from his home my son and I hasn’t seen him, before all this took happened we use to go by there and check on him and take food and make sure he was okay and and had something to eat and see if he needed anything. This is very overwhelming and I also heard the son of his wife has gone his wings also and this is devastating to hear at the same time. Papa and Granny will be missed but never forgotten they were beautiful people a blessing to everyone,they truly been a blessing to me and my son. Thomas will be missed,,to the boys my heart goes out to y’all and the brothers Edwin and Randall condolences to y’all and prayers. From Sherry Brannon and Lavontae Kirk .

“ Miles, I've always called you dad besides you raised me practically raised me all my life, and we're there for almost every milestone in my life. Finding out you passed was one of the hardest days I've had to face. I was in the city ready to see you again when I saw the newspaper. I know you're with Rome and grandma (your traveling buddy she wouldn't let anybody but you drive her anywhere), and now you have rest for your soul. We miss you dad and love you forever in our hearts. Arisha

“ *Cousin Claude you will truly be missed. God blessed all of us that have known you. You have been an inspiration with such a high work ethic and a sweet and humble spirit. I thank God for your life and legacy. Our Lord has prepared a place for you and we will see you again. Family look to the hills which cometh all our help. Our help cometh from the Lord who made Heaven and Earth. I love you all and pray for God's comfort, love, grace, and mercy.*
