“ *My deepest condolences to the family of Clyde Bundage, my classmate! I will miss his sweet smile, and loving, gentle manner! Our mothers worked together at University Hospital, and this was another link to make us friends from childhood!*

The class of '62 has lost another great Trojan....may he R.I.P.

To my dearly beloved brother-in-law CB. Uncle Clyde as we called him so the nieces and nephews would follow. This was a very giving and caring man. He would give you the shirt off of his back. Anytime you entered into his house you were greeted with "you want something eat or a drink". He never took no for an answer. He will truly be missed. To my niece and nephews, just like you took good care of your mother you did the same for your father. Continue to look to the hills from whence cometh your help. I love you all and you know I am here for you for anything you all need. Love always, Uncle Jarryl and Aunt Juanita.

To my sweet niece Shereen, caring nephews, Clyde Jr. & Byron, also his sister's. Your father and brothers was a wonderful person too me and my children. I will always remember how he helped me financially. How he and Lillian (my sister) brought school clothes, and many gifts for Christmas. Because if them many times we were blessed. Had it not been for CB a many of trips home would have been impossible. I love him because he was a very kind and giving person to me and others. RIP my brother, you have ceased from earthly pains and sorrow. I am and will always be grateful for the good he was to the Hill family. In times of sorrow God will carry you through. He Wii give you comfort, all you need to do is " Tell God all about". I love you all. Love Margaret and children.
