“ *I met Colette when she came to Langston. We shared a lot in the 30+ years we've been friends. My heart is broke but I understand God's plan. No matter how she felt what she was going through she was always glad to hear from me she was always glad to spread joy and laughter with me. We lost contact for a little while, but when we came back together, It was like we have never left one another. I remember when she was pregnant with her daughter. I remember she was terrified to tell her mom so she asked me to go with her to go tell her and I did. One time I put her in my car and pass the ambulance, because her sugar had dropped at school, and In spite of giving her insulin it never went up. And I did not want to lose my friend so I drove her in my car breaking all kinds of laws to get her to the hospital. She's my sister, in Christ, in life, and we could not have been more close. I will miss you and I know I will see you again. We were there through our darkest times for one another. I will always be here for Ty and your mom, as much as I can. I love you my friend, confidant and sister. Rest easy, rest easy.*

Collette (Smokey) is now resting in peace with no more sorrow, pain or trouble. Now, we as friends of the family, need to let them know that they are not alone by continuing to pray and checking up with them occasionally to help ease the pain of their loss. I am so glad to have had the opportunity to know Collette. I love the Darling family. God is good and He will continue to bless. Pat Potts
