“ Curtis and I worked together at the Metro Tech Skill Center in the early to mid-1980's. He was insightful and honest. He was a good listener, easy-going, and very wise. The students and faculty of S.A.G.E. loved and respected him.

To the family of Curtis Tellie, sorry for your loss and I extend my deepest sympathies.

“ Family, I extend my deepest sympathies during Uncle Curtis' homegoing. I thank God for having known him. We would always have great conversations upon meeting. He would tell me, Niicy, I love you upon departing. He was always the same and had knowledge that he did not mind sharing. I pray that God will strengthen the family and give you sweet peace in the many days to come. We love you all, may God bless you.
