*“ I offer my deepest condolences to The Frazier family for the loss of Danny. I met him when I attended The Loving St. James Baptist Church years ago. He played a major part in the success of their wonderful choir, one of the best choir's I'd ever heard, filled with very talented singer's & instrumentalist. They blessed so many people down through the years & packed the house on special musical occasions. I'm sure God has a Mass Heavenly Choir for Danny to continue displaying his talents & gifts. He didn't need to join, it's a place that was already prepared for him by His Lord and Savior, Jesus Christ. Peace & rest Danny, your labor on earth is done. Thanks for always being a gentleman who always greeted me with a smile. I'm praying that God will grant continuous care & comfort for the Frazier family & friend's.*
