“ Thinking about the Edwards family right now. Patience and Jayden were fortunate to be able to know their Grandpa Dave. They are also very lucky to be part of such a loving and caring family. You show them the right way to live by your example. - Tamme Giese

“ I'm so blessed to have had you in my life. You were the dad that took us fishing, played the best records and made some amazing tuna sandwiches. I'm grateful that God brought you to us and you always treated me just like I was one of your own. My Brother Jack has been a amazing person the past several months caring for you and loving you with all his heart. May you rest in peace as I know you will be smiling you up in heaven and walking the streets of gold pain free. I love you with all my heart and will always consider you my true dad. “ To the family of uncle David, May God's peace rest with you during this time. Uncle David was our uncle because Uncle Greg N. introduced us as his uncle and that how family goes. We share the mourning and happiness as we look to memories uncle greg shares about uncle david & his sister. God bless the family and know **IN HEAVEN THERE IS NO DEATH OR SORROW.** what a time that will be-The Rollerson'

“ Pops it's so hard to believe you're gone. You are missed so much, especially here at the house. I walk by your room and I vision you laying there but I know you're in a better place. These last few months have been great. It gave us time to spend together and I enjoyed every minute. You shared a lot of great stories with us and I found you to be quite humorous. You and I would laugh at things only you and I understood. You shared your knowledge and family history, in which you were very proud of. I thank you for all the great memories you gave us. You touched a lot of people's hearts. I know it was your time to go, but I know you're with your loved one's. It's ok cause I'll see you again one day. Maybe you and ol Bumsy can pick me up and take me home... I love you pops! Lika Dat.....Your son

“ *My father-in-law, I miss you so. I'm sure glad you came to stay with us your final months. I know you hoped, as we all did, that you could conquer this terrible thing we call cancer. I guess it just wasn't meant to be. You fought to the very end and I'm so happy to say that i was your biggest cheerleader. We never really had the opportunity before your sickness to get to know one another, but i can say before your passing we got to know each other well. We were "partners". I enjoyed spoiling you with all your goodies. So yes, you will be dearly missed until we meet again. Love you, Grandpa!!*

“ *My deepest sympathies go out to you and your family. May you and your family find comfort and peace in God's word the Bible with the promise that God has said he's going to do for mankind. Revelations 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. May God's words give you and the whole family the strength you all need in this difficult time. You all are in my prayers.*
