“ *Auntie Neicy was a true example of discipleship, her obedience to God allowed his light and love to shine through her in everything she did. A true friend to the very end for so many. It hurt to lose someone so beautiful inside and out but the lessons and memories will always be in our hearts. Loafers, creased jeans, slouch socks, winter fresh gum, a little coach purse, a little red Nissan and trip to Mickey D's were on my adult checklist from her too 😊 We will miss you dearly. May God's comfort cover the entire family.*

Matthew 11: 28-30

“ My dear friend De, I still can't believe you're gone. We braced for your loss, but still felt so unprepared when that day came. The world seems a bit emptier without your voice, your infectious laughter and your incredible kindness.

You had a passion for life and you always shared unwavering support. You were my biggest cheerleader. My confidant. My friend. I will cherish every memory we created together. From dinners out, target runs, late night calls and a billion texts. You were there for everything. I feel fortunate to have called you my friend all these years, and I am forever grateful for all the time we spent together. I love you forever.
