Please know that we are sending up prayers for each of you. Our prayer is for God to provide His comfort at this time of overwhelming grief. I'm confident that He will do exactly what's needed for every passing moment. God is so faithful even when we have so many unanswered questions....The Johnson and Williams families were next door neighbors in Carverdale until the early 60's when we moved. I will cherish those early childhood memories forever. The ballgames, hopscotch, jacks, foot races, and paperdolls all bring back precious memories... Debra is in the arms of our Savior.. What a blessed place! To Sharon and the rest of the siblings, we love you so much. We will check to see just how we can help.
