“ *Oh what a blessed and bright light to have in this world and specifically this family. I will miss my cousin Delia Mae's wonderful smile, genuine warmth, and love, but we know that our loving Heavenly Father knows best. To this wonderful and loving family she will be greatly missed by many, but she has answered our awesome Father's last call. She has served Him through this life and in doing that earned her mansion in heaven which He says in His word He has prepared. God's love, healing and blessings to you all*
