“ The Burge family and I (Evelyn) go "waaaaaaaay" back (Douglas Baptist Church, Luther, Ok). I played the piano. They use to pick me up for church when my mother, Ophelia McAfee, was unable to attend. I loved them then and still do. You are certainly in my prayers. My God continue to bless and comfort you.

“ Delmar lived a block from me on Page Ave. and when we were growing up he was a part of our Edwards Addition group that spent a lot of fun filled days together. Kirby Green and Delmar visited my moms last year where she still lives in the same house that they bought when I was 2 years old. My prayers and condolences for his family 🙏
