“ Every time I took her name to the temple, I couldn't help but don a huge smile... This is how I remember her, everything illustrated in a big way. Whether it was laughter, lovin on her peeps, opinions, smiles or even if you were lucky enough to catch the fiercest eye roll... it meant she cared enough to take that little time for huge impacts! I love you “Shawnana” (my dad's pet name for her)!!! Rest in love cuzzin but keep reppin that huge spirit in the eternities!!
