“ I am lost for words. I have been trying to find Devette for a while and only to find out she has passed last year. We met at a church retreat and became instant friends but lost touch later in the years. I never stop thinking about her or her son. Rest in peace my friend... "cousin".

“ Meeting Devette and Devon in middle school was a pleasure. But to get to know them was even more welcoming. Devette always had a huge smile and was the realest. And wasn't afraid to go toe to toe witcha. Devette you will surely be missed, until we meet again my friend rest easy! 1

“ I had the Greatest Opportunity to meet Devon and Devette in Middle School CHMS. Devette was pretty strong will and didn't hold back no talking as well 😊. Though she was a grade older than I was she treated me like a her Baby Brother as we would be a bond through sport's and staying after school, and riding the Activity Bus Home. Devette you will be Greatly missed! Earth's loss is Heaven Gain!! Receive your Reward and Crown!!

“ *I remember when you and Devon were born. Such cute little babies you were. Your Dad was not with but for a moment before he had to go, but it just made the two of you all the more special. I can't believe you are gone now too. May you Rest In Peace and be that guardian angel for your twin, your Mom, son, and grandbabies. You will always be in the hearts of all those who love you.*
