“ I am so sorry to just be finding out that Diana passed. We had lost touch over the last several years, but I think about her all the time. We had so much fun working together at FIOK, going on audit trips, trips to Frontier City with her niece, Jennifer and my nephew, Cody. Diana and Karyn came down to visit me at my apartment in Arlington. Another time, Diana came and went to a Single's Conference at Glorieta, NM with my Fort Worth church group. We laughed so hard at her wedding shower, because my mother couldn't hear and one of her aunts couldn't see, so they sat together and told each other what was going on. I always had so much fun with Diana! I hate finding out I am not going to see her this side of Heaven, but we will have a party when I get there! Diana was a great friend and I have nothing but love for her and her whole family.

“ I just wanted to say how blessed I am to know someone like her. Not only was she my aunt she was my best friend, and she cared so much for me and our family. I love you so much Na Na.

“ I am shocked to hear that Diana has passed away. We went to high school together. She was always quiet and reserved and I considered her a friend. Enjoyed seeing and talking to her ever few years. My deepest sympathy to the family.
