“ Thank you for being my best friend. And Milos best food buddy
You helped me in more ways then I know you realized. I love you
asshole. And don't worry I'll make sure to get Milo his sliders from

“ You were the first person I met when I moved here from
Albuquerque. You took a minute to open up about your life but once
you did, we became friends for life. You took care of my mom like
she was your own. You're one of the best people I've ever known. I
will always love you and miss you. Thank you for being my friend
and sharing a part of your life with me. I'll see you in the next life.
Love, Ashlie

“ Snoop,

I miss you so much. I can't believe you are not here, riding bikes with me, listening to music and talking for hours about the little things. You made such a great impact on my life. R.I.P my friend, and I know you are with your mom. I

search for the red birds, and find peace when one shows up. I miss your smile, your laugh and your jokes.

You're forever in my ❤️.
