“ We would stay at Aunt Doris's home when we were traveling during the summer for basketball.

I have several memories, but 3 stand out.

1. *The first time we saw Kennison smile was when we washed her hair, in the sink at Aunt Doris's house.* 😊

2. *When Aunt Doris was trying to kill this fly that had gotten in the house.*

She said, "I'll get you Fly."

We were laughing, but she got him.

And she said, "I told you Fly"

We all laughed forever.

That was one of our running jokes.

3. *Driving in her big Tahoe truck. She ran over the curb. We thought we were at a monster truck rally* 😂😂😂

With a smirk Aunt Doris said, "That's why you have a BIG TRUCK."
😂😂

We laughed all the way to get some food. 😊

We love you Aunt Doris. Thank you for so many fun memories. 💕💕

Family we're sending love, hugs and prayers your way. 💕🙏

“ Ms Doris affectionately known to those close to her as "Dorothy" will always be remembered how she could light up a room by her calling your name as if you were wearing an hearing aide... Lol and then after your response...she giving you an infectious smile and then hollering her eyes with a sweet grin. That's one thing I will always remember and love about Ms. Doris when she entered a room you knew it. She will Always also be remembered by her love for her family. God Bless us we learn to live without Her.

“ It was my honor to work with Doris at GM. Doris was one in a million. She was loved by all. Her laugh was unforgettable. Doris had to ability to make everyone else laugh too. Coming from California she was not accustomed to Oklahoma tornadoes. Doris made everyone laugh when storms got close. So many great memories. Rest In Peace dear friend.
