“ I would like to extend my deep and heartfelt sympathy to the whole family in these difficult times. Your words may not come out, but your tears speak the pain your experiencing. May the family accept something comforting found in Jehovah God's word the Bible at Revelations 21:4 “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” May this give the family the strength they need. You all are in my prayers.
